INTELLIVIBE™ POOL & SPA LIGHTS

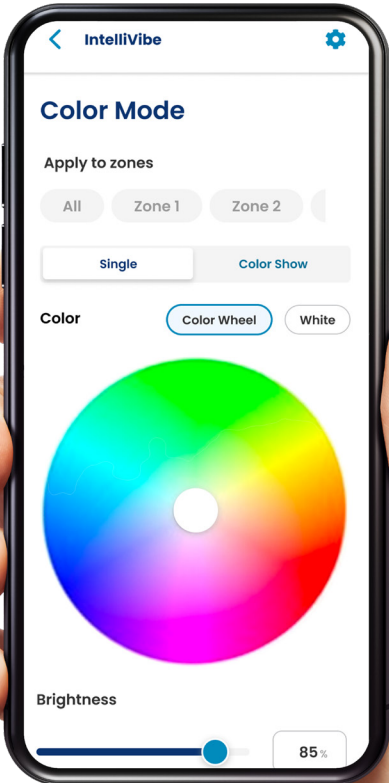

Customizable pool lighting combinations.

Your trusted pool equipment leader brings you its latest lighting innovation: the IntelliVibe Pool & Spa Lighting System. Your customers can light up their pools with millions of colors, dimmable lighting options, and independent multi-zone control – all from their mobile device. It's the perfect customizable solution to make your customers' pools a whole vibe.

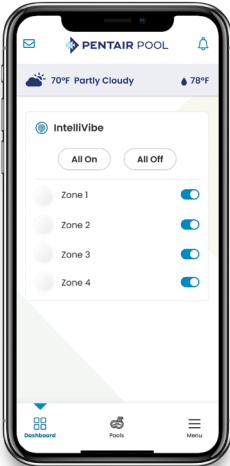

Key features

- ▶ Instantly select from millions of colors and 12 color-changing light shows
- ▶ Dimmable lights set the mood or crank up the energy
- ▶ Select any shade of white from bright, cool white to the soothing glow of warm white
- ▶ Independently control up to four pool zones and set brightness levels and schedules for the ultimate customization
- ▶ Easy pool control with the Pentair Pool app: a fast, user-friendly way to illuminate the night

12 color shows

The IntelliVibe™ Lights bring the vibes.

Pool owners can control up to four pool zones and label them accordingly within the Pentair Pool app.

The pool shown operates with three Mezzo Lights in the main pool area (zone 1), six Micro Lights for the bubblers (zone 2), and four Mezzo Lights in the basin below the water wall shining up on the patio (zone 3).

INTELLIVIBE™ POOL & SPA LIGHTS

Lights that fit any pool vibe.

The IntelliVibe line of LED lighting products includes Nano, Micro, and Mezzo Lights (sold separately) to enable millions of color choices, dimming, and multi-zone control.

Customers can choose their vibe through the easy-to-use Pentair Pool app. The IntelliVibe Lighting System is made possible with the required IntelliVibe Controller and IntelliCenter® Pool Control System for ultimate pool management.

The IntelliVibe Lights are not backwards compatible with Pentair's legacy lights, which include the IntelliBrite® Architectural Series Lights, MicroBrite® Color and White LED Lights, and GloBrite® Color-Changing LED Lights.
